

Design District PSA

Dine & Design — A summer barbeque to benefit Victoria Hospice.

Saturday, August 21st from Noon til 6pm.

Witness the transformation of the Design District on this day of summer celebration. Bring the entire family down to Herald Street and enjoy the cool notes of the Preston McCool band on stage. Make sure you come hungry! Victoria Police officers will be flipping burgers and hot dogs at Capital Iron's outdoor barbeque, Swans will be offering home-brewed root beer and hotdogs, Silk Road Tea will be serving iced tea and there will be an assortment of other tasty treats courtesy of Hotel Rialto and the Canoe Brewpub. ALL net proceeds will be donated to Victoria Hospice. The festivities will continue with 'by donation' canoe, kayak and Harbour Ferry rides for the family courtesy of Ocean River Sports and Victoria Harbour Ferries. Head on down to Market Square to purchase a \$5 mystery box containing gift certificates and wares from various merchants. And, don't forget the in-store specials throughout the Design District and a grand prize Design District shopping spree. Just pick up your Design District Passport, get 3 stamps and you'll be entered into the draw to win!

It will be great fun for the entire family and best of all, the entire day is 'designed' to benefit the Victoria Hospice.
